

OST-1000

Feature

Storage Tray for redundant fibre optical patchcords.

Product Picture

Environmental Conditions

Relative Humidity (Operational)		Maximum Non Condensing <93%
Temperature	Storage	-40 to +70°C
	Operational	-20 to +70°C

Physical Characteristics

Dimensions	4u x 482mm x 160mm
Housing Material	Cold Rolled Steel
Front Panels Material	Cold Rolled Steel
Coating	100um RoHS compliant powder coating

Reference Standards

UL94V-0
RoHS directives
